

Title of unit:

Purpose (What is your intention in giving this assignment? What is the context of this assignment?):

Learning objectives highlighted (Choose a few from the department's learning objectives for 102 and add your own measurable goals, if applicable. What points of assessment will be featured in the rubric for the resulting paper?):

Texts (What primary, secondary, or reference materials might you ask students to consider? These are not limited to print texts.):

Instruction/writing scaffold (How will you prepare students to write using discussion and assignments/activities?):

<i>Discussion topic</i> (What will you ask students to talk about in class?)	<i>Activity</i> (What will you ask students to do?)

Student end product (What formal piece of writing will result from this unit?):
