

**The Scholarships and Awards Committee  
is accepting nominations  
for the two English Department Writing Awards:**

1. **The Freshman Writing Award:** Awarded to a first-year student in a College Writing I or II Class; and
2. **The Department Writing Award:** Given to an English Major for writing performed in an upper-level majors' course.

Please submit the student's paper with a brief cover sheet noting which award you are submitting it for, what class it was written for, a brief statement of the assignment, and a brief explanation of what makes this paper notable.

You may put it in my mailbox in O'Leary or in the box in the English Department in O'Leary designated for that purpose. There should also be cover sheet forms in the box.

**This year's deadline is Wednesday, April 11, at 2:00 p.m.**

Thank you for your help and your support of UML's talented writers.
